Remembering a Loved One

Although the loss of a relative or friend is a time of deep sorrow, we may be comforted in our bereavement by memory of our loved one. One way of celebrating this memory could be by way of donating to the *Friends for Mental Health, West Island Memorial Fund*.

Should you decide to do this, your donation will assuredly:

- Offer increased support and education to families affected by mental illness whether as patients or caregivers.
- Enable such families to thereby cope better with their situation.
- Allow the general public become more familiar with the nature of mental illness and thereby reduce the stigma attached to it.

How to Make a Gift

In order to provide your gift, please complete the attached form and return it to the address indicated on this pamphlet. Once this form has been received, a letter will be sent to the family acknowledging that you have made a donation.

A tax receipt will be sent to you.

We thank you for your generosity.
